What is Direct Deposit? Direct Deposit is a method of electronic funds transfer (EFT). You authorize the Kansas Payment Center (KPC) to deposit your child support payments directly into your checking or savings account. KPC can work with banks or credit unions.

How does Direct Deposit work? When a payment is applied to your child support case(s), KPC sends it to your bank instead of mailing you a check. Normally your bank will credit your account with the money a few days after KPC applies the payment to your case(s). For more information, you may call your bank, visit our website at WWW.KSPAYCENTER.COM, or call the KPC at 1-877-572-5722

How do I setup Direct Deposit? Below are the directions for both Checking and Savings accounts:
Checking: (2 options) **Option A.** Fill out Section 1 completely, fill out all of section 2 except for Representative's name and signature, and include a VOIDED, PRE-PRINTED CHECK (no starter checks). If you are unable to provide a voided check please complete **Option B.**
Option B. Fill out Section 1 completely then take or fax this form to your bank and have a representative of the bank fill out Section 2
